PROFESSIONAL PROFILE

Business management and strategic communications professional with 15+ years of experience across media, creative businesses and institutional projects. Former CEO of a 300-person publishing company, executive manager of an advertising agency and New Business Manager. Experience advising Ukrainian defence-sector institutions, including the Ministry of Defence during the 2022 invasion. Now seeking business development, strategic partnerships and market expansion roles in European defence technology, especially where Ukrainian market knowledge and cross-border stakeholder engagement are valuable.
